

# 2011 Fall Preview Schedule

K–12 and Professional Development Resources  
Office of eLearning  
State Department of Education

## IMPORTANT: K–12 Instructional Media Channel (IMC)

The ETV satellite service ended July 2011. SC schools/districts are able to access ETV and eMedia (ITV's new name!) programs/series through OnePlaceSC TV Guide on the NEW K–12 Instructional Media Channel (IMC). These programs/series were previously provided through digital satellite channels 1 and 2. This is where you will find the previews of eMedia programs – on the IMC channel.

In mid August ETV sent each media specialist a package of postcards (one for every teacher in the school) with the information on how to access the K–12 Instructional Media Channel (IMC) with ETV and eMedia programs. Also, this information can be found in the September edition of the *eMedia Update* (the new name for the *ITV Update*) that is ONLY posted online at [www.emedia.sctev.org](http://www.emedia.sctev.org). (No more hard copies!) For more information on this new delivery, contact your local DES (digital education services) personnel or call ETV Education 1-800-277-3245.

So, through OnePlaceSC and *StreamlineSC*, our educators will continue to have access to FREE video-based programs to support teaching and learning. These quality resources for K–12 students and professional development offerings for educators - provided in partnership from ETV and the SC Department of Education - will still be “at your fingertips!”

Don't miss NEW programs coming up: **In Our Schools – Palmetto Gold Award 2011** featuring Cherokee Trail Elementary and Macedonia Middle School, both honored for improved academic performance and reducing achievement gaps. This program airs September 25, 1:30–2:00 p.m. on ETV. Then on October 2, LIVE 6:00–7:00 p.m. on ETV, be sure to join Dr. Zais and other educators for a discussion about online learning on **In Our Schools – Exploring the Virtual Classroom!**
