

The Missing Link
Designed for Teachers of grades K-8
8 week session

Register Online: www.emedia.scetv.org
Recertification: 20 Renewal Credits
Cost: \$50.00

This series of self paced workshops is built in pairs. Each topic spans two workshops — the first is a "Discovery" program where the Learner Teachers investigate a mathematical concept and work on a number of problems related to that concept. The second program in each pair — "In Practice" — features the Learner Teachers sharing their own classroom experiences, working with different kinds of scoring guides and going deeper into each mathematical topic.

All class meetings will take place through distance learning. The instructor and participants will communicate via Moodle — the course platform on the Internet. Assignments and discussion forums will be facilitated in Moodle.
